1. _____

2. _____

3. _____

Authorized people to pick up your child from camp:

1. _____

2. _____

3. _____

Wild and Wacky Science

June 16 – 20

Science helps children develop an understanding of the world around them through exploration and inquiry. Children learn best by doing and this science camp will encourage children to be hands-on. We will create chemical reactions, explore density, surface tension, and gravity. We will write messages in invisible ink and try moving a pompom without using our hands!

Monday	Tuesday	Wednesday	Thursday	Friday
Swimming spaghetti	Lava Lamp	Dancing Pepper and Magic Milk	Ball drop and Invisible Ink	Air Pressure experiment

The Art of Eric Carle

July 7 – 11

In addition to being an author of many beloved children's books, Eric Carle has illustrated more than 70 stories. In our Eric Carle camp, we will investigate the various ways he illustrated his books. We will create collages, marbled effects, textured art and more!

Monday	Tuesday	Wednesday	Thursday	Friday
<i>The Mixed-Up Chameleon</i> Textured Art	<i>A House For Hermit Crab</i> Collage	<i>Mister Seahorse</i> Marbled Effects	<i>Little Cloud</i> Puffy Clouds	<i>The Grouchy Ladybug</i> Ladybug House

Let's Be Pirates

July 21 – 25

Ahoy, mateys! Hop aboard the pirate ship as we travel the high seas! We will search for treasure and make maps and spyglasses to help us find it. We will conduct pirate experiments and make a message in a bottle. Get ready to set sail on a adventure sure to spark our imaginations!

Monday	Tuesday	Wednesday	Thursday	Friday
Aye Spy, Matey! Pirate Spyglass	Digging for Treasure Sensory Fun	Walk the Plank Captain Hook's Ring Toss	Treasure Chest Treasure Maps	Pirate Ship Experiment Message in a Bottle
